Coffee

Red Door June features coffee from Batdorf & Bronson Coffee Roasters. Located in Atlanta, Batdorf & Bronson has been handcrafting the finest beans from around the globe since 1986.

The close proximity of our roaster allows us to provide our clients with the freshest products available. In most cases, you'll enjoy coffee roasted within the previous two days.

Red Door June's house coffee is Batdorf & Bronson's signature Dancing Goats Blend, dark, smooth and sweet with a beautiful floral aroma, exceptionally clean acidity and a heavy, nutty body. Flavor nuances include fresh citrus fruits and fine chocolate. Caramelly and spicy, its complexity makes for both a flavorful espresso with rich, rusty reddish-brown crema as well an excellent drip coffee. This fabled blend is featured in espresso bars, cafes and restaurants across the United States.

Whole bean or ground coffee available at wholesale prices.
